MEMORANDUM FOR: Chief, Physical Security Group, OS

FROM:

Chief, New Building Project Office, OL

SUBJECT: Communications Installation
in the New Headquarters Building

REFERENCE: Memo to C/PSG/OS fm C/NBPO/OL
dtd 6 Oct 86, Same Subject
OL 2040-86

Reference requested guidance regarding the level of physical security required in certain areas of the New Headquarters Building prior to beneficial occupancy. Early access to those areas is required for the installation of computer equipment and the installation of wiring for that equipment as well as secure and non-secure communications and alarm systems. Please advise as to your determination.
